Road Safety Week

Road Safety Week 2024 will take place from 17th to 23rd November 2024

What is Road Safety Week?

Road Safety Week takes place each November, coordinated by the road safety charity, Brake and is their biggest road safety campaign. Every year, thousands of schools, organisations and communities get involved to share important road safety messages, remember people affected by road traffic accidents, and raise funds to help Brake campaign for safe roads for everyone.

During Road Safety Week Brake will be...

- Bringing together communities to remember loved ones effected by road traffic accidents.
- Helping children and young people learn about the different services and people that can help after an accident.

If you would like more information please go to the Manchester City Council website and search for **Road Safety** or go directly to www.brake.org.uk, where there is are lots of resources for you to search through.
